On July 9, 2008, Plaintiff filed a "Motion Requesting Information from the Clerk." Doc. No. 39. In this motion, Plaintiff requests assistance from the Court regarding participating in the settlement conference, obtaining discovery, locating defendants, and obtaining forms. Id. The Court cannot provide Plaintiff with advice or assistance in determining the law or deciding how to obtain discovery or prosecute his case. Plaintiff is hereby warned that the Court will reject any future documents seeking the Court's advice.

Plaintiff's future discovery requests should be addressed to Defendants, not this Court, and must comply with the Federal Rules of Civil Procedure. Nothing in this Order prohibits Plaintiff from seeking

1 to obtain relevant discovery, including some of the information
2 requested in Plaintiff's motion, from Defendants via properly-framed

4 Procedure, requests for admission pursuant to Rule 36, and/or requests
5 for production of documents pursuant to Rule 34. Only if Plaintiff is
6 unable to obtain discovery from Defendants or third parties after
7 utilizing the appropriate discovery channels in compliance with the
8 Federal Rules and Civil Local Rules will the Court consider a properly-
9 filed motion to compel.

10 Accordingly, Plaintiff's motion is **DENIED**.
